

SecoVacuum Technologies appoints Vice President Sale

SecoVacuum Technologies LLC is pleased to announce the appointment of Mr. William (Bill) Warwick to the position of Vice President Sales. Mr. Warwick will be responsible for sales of capital equipment, spare parts, and aftermarket services throughout North America. He has extensive know-

ledge in vacuum technology, most recently holding the position of Product Manager at Schunk Carbon Technologies, LLC. He holds degrees in Business Management and Environmental Protection and has focused his career on sales, support and service of vacuum related products in the brazing, heat

treating, and sintering industries. Mr. Warwick joins a talented team of technical specialists selling and supporting both standard and custom vacuum furnaces for this new company of the SecoWarwick Group. SecoVacuum Technologies LLC is a fully-owned entity of SecoWarwick Group in Europe.

Molly Beerman named Vice President of Alcoa

Alcoa Corporation (NYSE:AA) announced that Molly Beerman (photo) has been named Vice President and Controller of the Company, and she will serve as principal accounting officer.

Ms. Beerman succeeds Robert Collins who has been Controller since 2013 and will be taking a role outside of the Company. Since November 2016, Ms. Beerman served as Director of Global Shared Services Strategy and Solutions and led the overall planning and implementation of financial and procurement activities in alignment with the company's overall business strategy. Prior to that, she served in a consulting role to the Alcoa Inc. finance department relating to the separation transaction.

From 2001–2012, she held numerous leadership positions with Alcoa Inc., includ-

ing as Director of Alcoa's Global Procurement Center of Excellence. In this role, Ms.

Beerman designed operational efficiency in requisition-to-payment and supplier management. She was also Manager of

North America Financial Accounting Services, where she led the team that provided accounting services to numerous locations. Ms. Beerman first joined Alcoa Inc. in 2001 as Manager, Corporate Financial Systems, responsible for the global consolidation of financial statements.

From 2012–2015, Ms. Beerman was Vice President of Finance and Administration for The Pittsburgh Foundation, a non-profit organization. Earlier in her career, she served in financial management positions at Carnegie Mellon University, PNC Bank and the Pittsburgh office of Deloitte.

Ms. Beerman has a bachelor's degree in Business Administration, Accounting from Duquesne University in Pittsburgh, and she is a Certified Public Accountant in Pennsylvania.
