Wuxi Xinchang Precision Casting Co.,Ltd,located in Jingfa
6 Road Shuofang Industrial Park Wuxi Jiangsu
214142,P.R.China.

Xinchang is a famous casting company in China, which
adopts lost wax technology. specializing in the production of
"precise and clever " castings, which are applied with Nickel
based and Cobalt based and Stainless steel alloy.

We had the pleasure to cooperate with Seco/Warwick S.A.
The company delivered a vacuum melting furnace that met our
requirements. During our cooperation Seco/Warwick has shown
professionalism and great attitude. The device was tailor-made
to met our expectations, delivered and commissioned smoothly
according to the schedule. We are very satisfied with the
equipment and service.

Seco/Warwick S.A. proved not only they produce high quality
equipment, but also they are reliable business partner. It was
first time cooperating with Seco/Warwick, but we believe not the
last.
